

Conspiracy Theory Week

www.loganAskWhy.com

1. Make a Claim
2. Collect Evidence
3. Accept or Reject Claim

Wishful Thinker: "I need to feel important and safe. I believe whatever makes me feel comfortable regardless of the evidence. My beliefs are facts to me."

Critical Thinker: "I seek the truth based on evidence and facts. If my beliefs are not supported by evidence I must change my beliefs. It is OK to be wrong."
